

Diesel Engine Oil

Diesel Engine Oil CD Series

Power Up CD series is formulated for multi purpose Usage & economical lubrication for diesel engines. It is suitable for trucks or vehicles that does not have high demand for superb performance. It is recommended for use in non-turbocharged engines and in stationary applications such as pumps or small generator sets with intermittent operation.

- Diesel 15W40 CD
- Diesel 15W50 CD
- Diesel 20W50 CD

Diesel Engine Oil CF Series

Power Up Heavy Duty CF series is more than just oil. It's liquid engineering that protects against problems, like sludge, that your engine faces every day. Severe driving conditions such as every day stop-and-go/stop-start traffic, harsh weather conditions and extended drain intervals, can all cause the build-up of a thick, tar-like substance called sludge. You can't see this sludge build-up but it can damage your engine's performance and cause premature engine failure. Protect your car from harmful sludge build-up.

- Diesel 15W40 CF
- Diesel 15W50 CF
- Diesel 20W50 CF

Diesel Engine Oil CF4 Series

Power Up Heavy Duty CF4 series is more than just oil. It's liquid engineering that protects against problems, like sludge, that your engine faces every day. Severe driving conditions such as every day stop-and-go/stop-start traffic, harsh weather conditions and extended drain intervals, can all cause the build-up of a thick, tar-like substance called sludge. You can't see this sludge build-up but it can damage your engine's performance and cause premature engine failure. Protect your car from harmful sludge build-up.

- Diesel 15W40 CF4
- Diesel 15W50 CF4
- Diesel 20W50 CF4

Diesel Engine Oil CI4 Series

Power Up CI4 series is blended from selected base stocks and a high technology core additive package meeting the stringent Global DHD-1 specification that brings the European ACEA standard and American API performance together for the first time.

- Diesel 15W40 CI4
- Diesel 15W50 CI4
- Diesel 20W50 CI4

Diesel Engine Oil SAE series

Hi-Power SAE Like all other oils manufactured, SAE series are mono-grades and complies to both Hi-Power's internal quality standards and the independently assessed and accredited ISO 9001:2008 international quality standard. Cost Competitive. For engines with high oil consumption or for intermittent use, SAE mono-grade offers the cost competitive solution for engine lubrication.

- Diesel SAE40
- Diesel SAE50
- Diesel SAE60

Hydraulic Oil

Hydraulic AWS Series

Power Up CD series is formulated for multi purpose Usage & economical lubrication for diesel engines. It is suitable for trucks or vehicles that does not have high demand for superb performance. It is recommended for use in non-turbocharged engines and in stationary applications such as pumps or small generator sets with intermittent operation.

- Hydraulic AWS 22
- Hydraulic AWS 32
- Hydraulic AWS 46
- Hydraulic AWS 68
- Hydraulic AWS 100

Hydraulic AW Series

Power Up Hydraulic AW offer state of the art formulations that produce a line of universal anti-wear long life hydraulic oils having all the wear preventive characteristics required for the most severe of applications, including high pressure vane pumps. It is formulated with ashless and zinc free additive package that make it suitable for pump containing steel-on-bronze lubrication surfaces and silver plate.

- Hydraulic AWS 22
- Hydraulic AWS 32
- Hydraulic AWS 46
- Hydraulic AWS 68
- Hydraulic AWS 100

Hydraulic Oil (Without additive)

Power Up hydraulic liquid(s), are the medium by which power is transferred in hydraulic machinery. Common hydraulic fluids are based on mineral oil. Examples of equipment that might use hydraulic fluids include excavators and hydraulic brakes ,power steering system systems, transmission, lifts, and industrial machinery.
